## PROJECT EXPERIENCE

### My Recipe Box — Archive Family Recipes

- App designed to allow the easy upload and storage of family recipes, taking them off paper and in to a shareable format
- Built a multi-table database and controllers for storage of recipe and user data
- Created a clean, functional site for users.

## WORK EXPERIENCE

### Printmaking Studio Technician — Kansas City Art Institute, Kansas City, MO

August 2021 - Present

- Manage studio budget and inventory of supplies, and maintain printing presses and studio equipment.
- Educate students on the use of digital production tools, including Adobe Creative Suite and machine specific software, to operate laser cutters, CNC routers, vinyl cutters, and 3D printers.

### Experience Coordinator — Overflow, Lenexa, KS

January 2019 - May 2021

- Manage registration and attendee relations at events for corporate and professional organizations, with attendance numbers ranging from 30 - 5,000.
- Design and build registration websites with clear user journeys through travel, accommodation, and event schedule selections.
- Maintain mobile apps for multi-day events, used in the lead up to events and onsite, allowing attendees to access event information, view personal schedules, and register for sessions.

### Lead Membership and Information Specialist —

Nelson-Atkins Museum of Art, Kansas City, MO

May 2017 - January 2019

- Managed team of 4 membership salespersons handling membership sales and renewal by phone and mail, regularly exceeding revenue goals.
- Build event registration within ticketing system.
- Ran regular reports in CRM for attendance numbers, upcoming membership renewals, and database maintenance.
